### Welcome to President Beverly's World

**President Beverly** attended the Mid-winter Growth Session on February 21, 2009 and brought back information on club growth. She has mailed surveys to new members about a club mentoring program to nurture them and to acculturate new members into the club. One mentor has already been assigned to a new member. More mentors are needed.

President Beverly reports that sponsored youth committee includes Circle K, Bring Up Grades, and K-Kids. There are two ongoing projects with the Bring Up Grades (B.U.G.) Program President Beverly was joined by volunteer, Brian Singleton who works with her for two hours in the class room helping seven children in the pre-school classroom and 10 first graders. **Latitia McCree** is working with Brian and President Beverly. Can you help?
